Subject: RE: Market at the Metra

Per our discussion, we have \$100 budgeted for Market at the Metra, which doesn't do much. Our only expense has been donuts and coffee.

The board canceled the September event because it a month very loaded with community activities and there are conflicts with the St. Ansgar Mexican Independence Day celebration. The latter has really impacted foot traffic and vendors were not happy.

During the budget I recommended that an investment be made to bring an attraction to the event for the May date.
