________________________________________________________

Executive Summary

At the Board meeting of June 20, 2019, the Village Board requested a Workshop to discuss items related to the immigrant community and how the Village of Hanover Park should promote itself as a welcoming and culturally inclusive community.

Discussion

At the June 20th Board meeting, a handout from the Campaign for a Welcoming Illinois was distributed, which included pro-immigrant bills that have passed the Illinois General Assembly in the Spring of 2019. While the bills listed will most likely have an impact on residents of Hanover Park, they do not directly impact how the Village provides services, as many services addressed are at the State and Federal levels, not the local level. It should be noted that in regards to the Census funding listed as a Campaign Budget Priority on the handout, the Village has applied for grants for funding of our Census efforts. In the first round, our grant request was denied. However, staff is awaiting the availability of additional grant funding to become available at the end of July.

The Village’s Cultural Inclusion and Diversity Committee was asked by Mayor Craig to develop a draft welcoming Resolution to be presented to the Village Board at a future meeting. At their July 9, 2019 meeting, the CIDC Committee created a sub-committee to work to develop a broader Racial Equity Plan, which would encompass such a Resolution.

Attached is a copy of a Resolution provided to CIDC as an example (City of Redmund, Washington). Staff has also researched other area Welcoming Statements, Resolutions, and Ordinances, and has drafted an Ordinance for review as a starting point. Attached is that draft Ordinance affirming the Village of Hanover Park’s commitment towards a culturally inclusive community.
**Recommended Action**

Staff is seeking guidance and direction from the Board on the following:

1. Does the Board wish to expand and/or pass an Ordinance outlining our commitment towards a culturally inclusive community?
2. How does the Board wish to communicate to the immigrant community items of importance (resource page on our website, public forum, etc.)?
3. Does the Board wish to host a Public Forum with immigrant families to share information, and if so, what information is to be shared and who would lead the discussion?

WHEREAS, the Village Board believes the diversity of backgrounds, perspectives, and experiences of all people makes our nation and our communities richer and stronger; and

WHEREAS, the Village Board recognizes that fostering a welcoming environment for all individuals enhances Hanover Park’s cultural fabric, economic growth, global competitiveness, and overall prosperity for current and future generations.

WHEREAS, the Village’s Police Department has worked diligently to promote community policing in an effort to build positive relationships with all populations and help promote a safer and stronger community; and

WHEREAS, immigration enforcement is a matter of federal law and Illinois law enforcement officers are permitted to enforce federal civil immigration law only in limited circumstances as allowed by law, and the Village will ensure that its resources are not used to perform federal immigration functions that would undermine the trust between the Police Department and its residents; now, therefore,

BE IT ORDAINED by the President and Board of Trustees of the Village of Hanover Park, Cook and DuPage Counties, Illinois as follows:

The Village of Hanover Park affirms its commitment to the principals of inclusiveness and to incorporate diversity into every part of the Village’s operations, including:

- Welcoming and engaging with all community members and visitors, regardless of their age, race, ethnicity, country of origin, sexual orientation, gender identity, ability, religion, income, political persuasion, or cultural practices; and
• Continuing to adopt policies and programs Village-wide that improve our community’s culture of inclusion; and lead by example to encourage other jurisdictions and their elected leaders to do the same; and

• Empowering Hanover Park’s Cultural Inclusion and Diversity Committee to promote our culture of inclusion through cultural activities and initiatives; and

• Ensuring the Village’s Police Department continues to comply with the Illinois Trust Act, which prohibits the enforcement of federal civil immigration laws.

1. The Hanover Park Police Department and its officers shall not stop, arrest, search, detain, or continue to detain a person solely based on an individual's citizenship or immigration status.

2. A Hanover Park Police Officer shall not detain or continue to detain any individual solely on the basis of an immigration detainer or non-judicial immigration warrant or otherwise comply with an immigration detainer or non-judicial immigration warrant.

   ➢ This does not apply if a law enforcement agency or law enforcement official is presented with a valid, enforceable federal warrant signed by a judge.

3. Nothing in this Ordinance prohibits communication between federal agencies or officials and law enforcement agencies or officials.

• Promoting a welcoming and safe community by continuing the Police Department’s practice of: (1) responding to criminal activity without regard to the immigration or citizenship status of those involved; and (2) promoting and encouraging all individuals, regardless of their immigration or citizenship status, to report crimes.

• Ensuring the Police Department complies with T and U Visa certification requests from any victim of a qualifying crime in a timely manner. The Police Department shall make information available on the process and point of contact for certification requests. The Police Department will ensure its employees are properly trained and knowledgeable regarding the certification process.
