

*Village of Hanover Park Veterans Memorial
Commemorative Memorial Brick Program*

The Village of Hanover Park has constructed a monument to the Veterans of our Country. It is located in the front plaza at Village Hall, and is a place that residents and non-residents can remember loved ones who have served our country in the nation's different service branches. Consisting of a centerpiece eternal flame, the plaza was built to allow engraved bricks to be placed to honor the veterans. Bricks are in line with a corresponding service medallion and flag of each branch, in front of our nation's flag, all surrounded by walls and landscaping.

Three levels of brick sponsorship are still available: Veterans, Friends of the Village, and Business Friends.

The Village has other sponsorship opportunities available as listed below:
