VILLAGE OF HANOVER PARK FIRE DEPARTMENT
Sanitary Service Laterals

General Information

Service line connections direct to manholes will be allowed only at "Dead End" manholes.

The service line will have a 2-foot maximum drop at the manhole connection. (2 feet above invert.)

Service lines entering the manhole at an elevation greater than 2 feet above the invert will require a drop connection outside the manhole.

Abandoned service lines, wires, or trees must be removed and only new sewer pipe installed.

The Village of Hanover Park Engineering Department requires 24 hours notice before construction begins. Please call 630-823-5700.

The Village of Hanover Park Public Works Department requires 24 hours notice before work begins within a public right-of-way or Village easement. Please call 630-823-5700.
