

Cook County COVID-19 RECOVERY

Small Business
Assistance

Need Help Getting your Small Business Back on Its Feet?

The Small Business Assistance program — part of our Cook County Community Recovery Initiative — provides critical financial assistance and valuable advice to help small businesses in Cook County rebound stronger than ever from the challenges of COVID-19.

TAKE ADVANTAGE OF 3 TYPES OF SUPPORT:

\$10,000 Recovery Grants

Available now for suburban Cook County small businesses that have experienced losses due to COVID-19.

Free One-on-one Business Advising

Work with one of our Technical Assistance partners to address the unique needs of your business, whether it's acquiring new capital, operating under new safety regulations or any other challenge you face.

Free Group Webinars

These interactive sessions offer guidance on how to pivot your business so you can flourish in the future. Available in multiple languages. Register for new sessions and access the archives at cookcountysmallbusinessassistance.com.

APPLY NOW! Applications accepted September 16 – October 6, 2020*
