## **Village of Hanover Park Expands Permitted Overnight Parking on Streets**

**(Hanover Park, Illinois)** The Village of Hanover Park has amended the overnight parking ordinance to allow for additional overnight parking on select streets. The Village of Hanover Park prohibits parking on village streets between the hours of 2:00 a.m. and 6:00 a.m., unless specifically designated by ordinance.

The amended ordinance will allow for additional “odd/even” parking between 2:00 a.m. and 6:00 a.m. on the following streets:

- Apache Drive
- Arlington Drive East - from Catalina Drive north 431 feet from the centerline of Catalina Drive
- Bristol Lane (7600 block) – between Kingsbury Drive and Cumberland
- Farmstead Lane
- Fremont Drive – Entire stretch of Fremont Drive is now included
- Gold Circle – from 15 feet east of private drive
- Kit Carson Drive
- Madera Street – Entire stretch of Madera Street is now included
- Nugget Circle
- Sutter Drive
- Tiburon Court

“Odd/Even parking” means a vehicle may park on the side of the street with posted signs allowing parking between 2 a.m. and 6 a.m. on odd or even numbered calendar days of the month.

The amended ordinance also allows for overnight parking on the east side of Kingsbury Drive between Bristol Lane and the private drive adjacent to the pipeline regardless of the day of the week.

Residents who require overnight parking on other streets may park their vehicle(s) overnight on the street up to four (4) times in a 30-day period. When parking overnight on the street, residents must register their vehicle(s) at <https://www.hpil.org/237/Night-Parking>. Permission cannot be granted to violate the odd/even parking regulations and parking is not allowed on a village street not designated odd/even after a 2-inch snowfall, regardless if permission had been granted.

If a resident needs overnight parking more than 4 nights due to extenuating circumstances, please contact the Strategic Enforcement & Prevention Unit Monday-Friday between 8:00 a.m. and 4:00 p.m. at (630) 823-5481. Each request will be handled on a case-by-case basis.

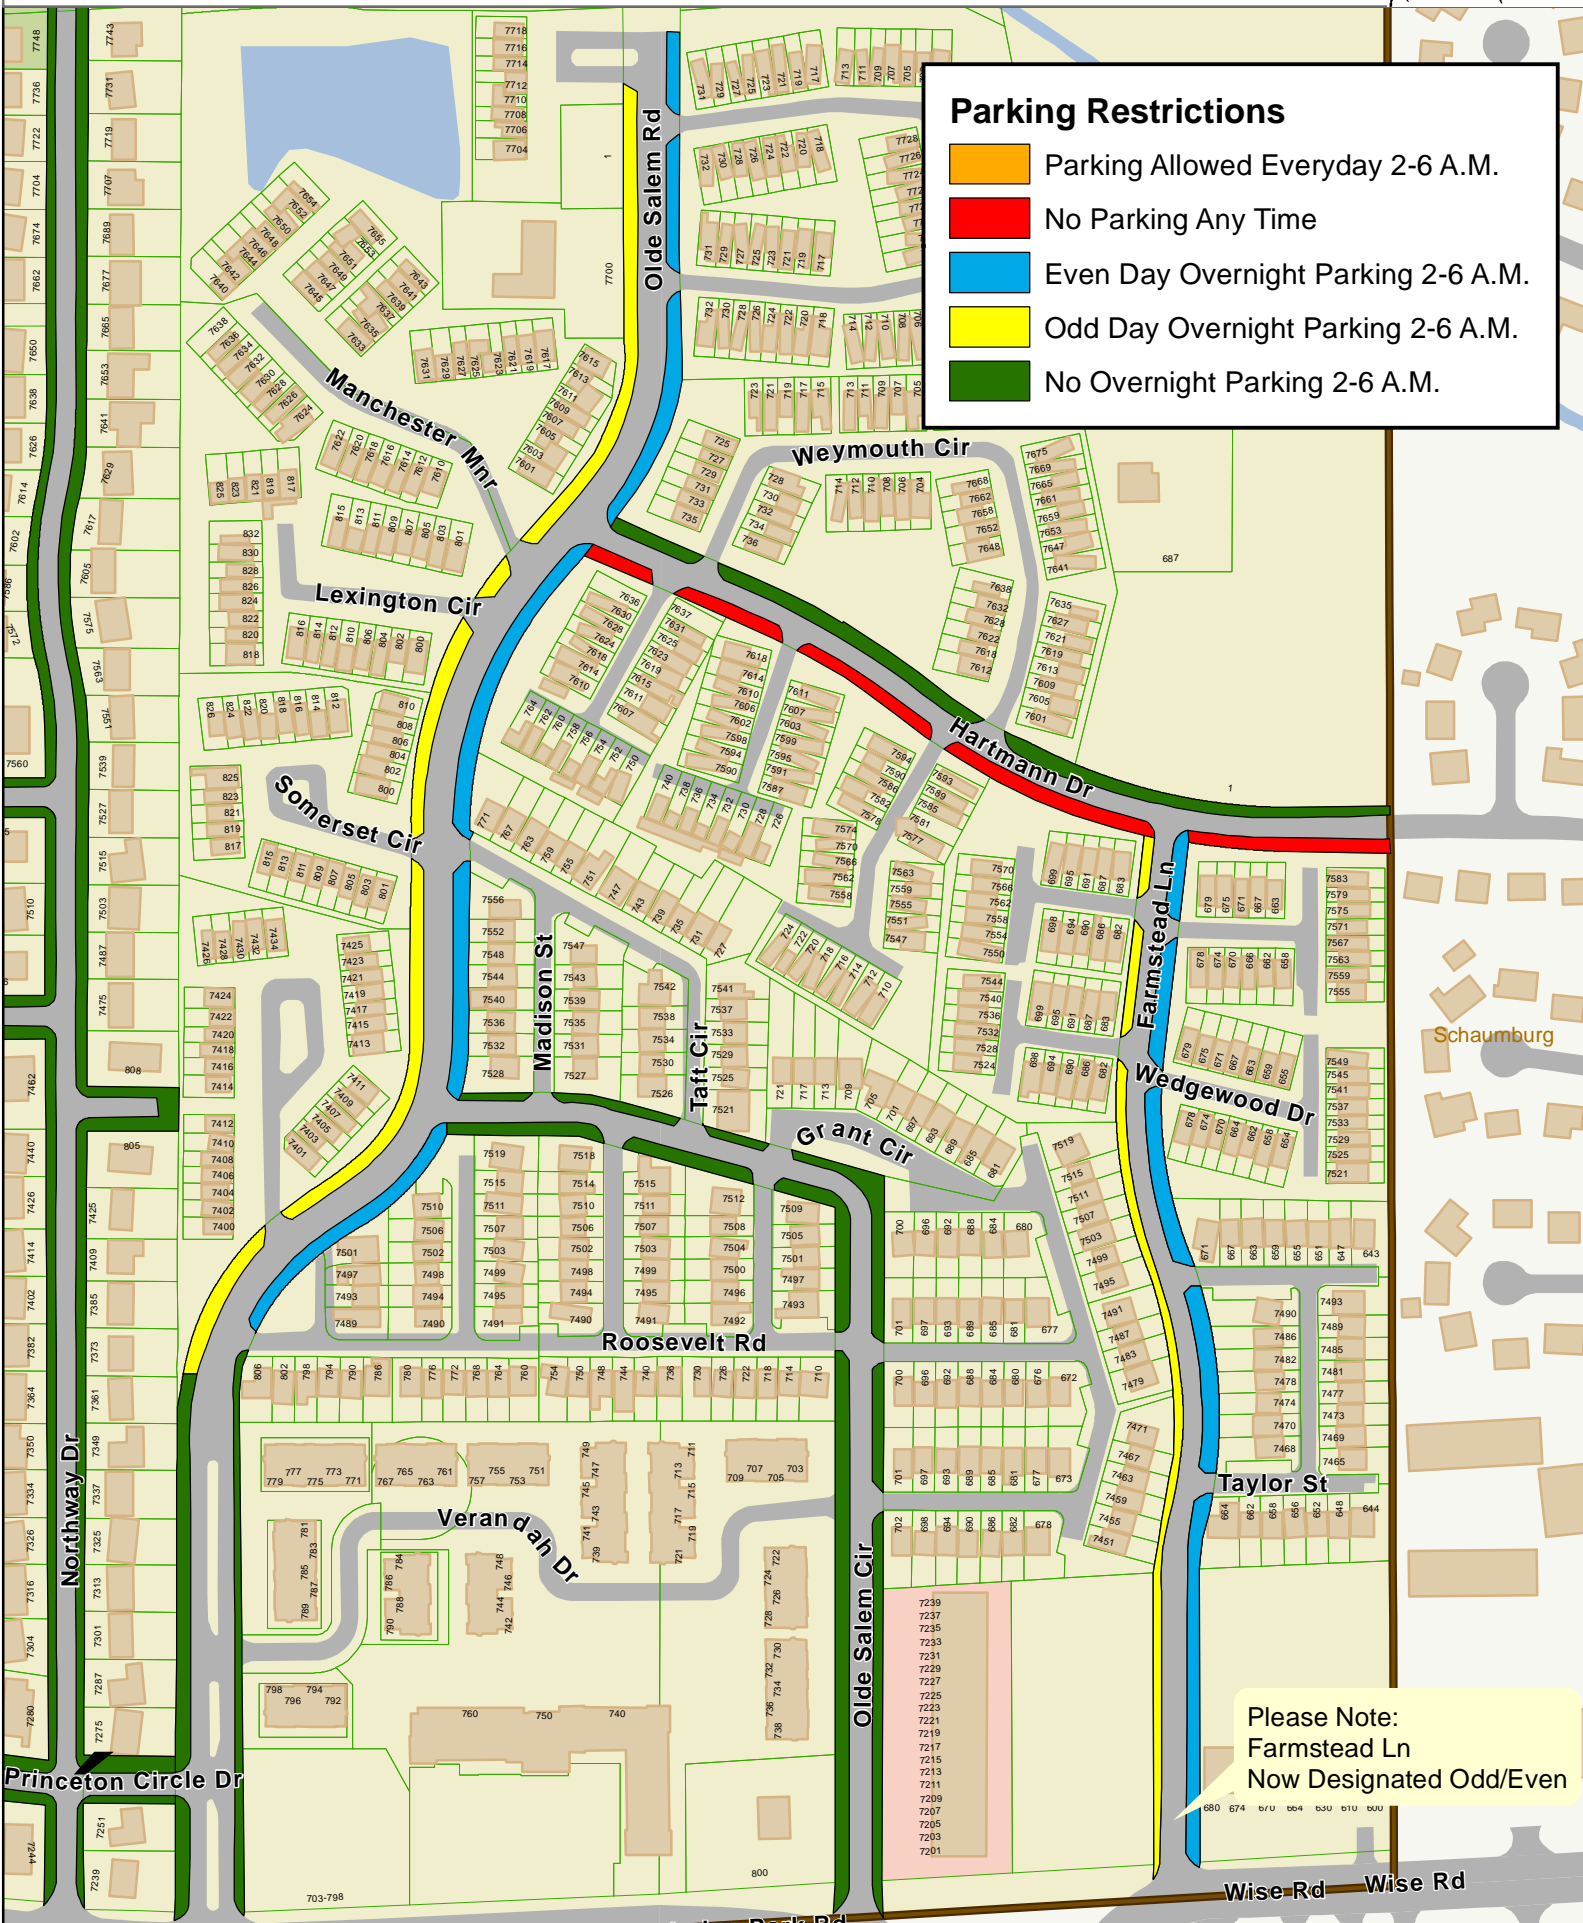

The new parking regulations are in effect as of October 16, 2020.
