

## Alcoholic Beverages:

No alcoholic beverages shall be dispensed other than approved by the Liquor Commissioner. All servers of alcohol must be Bassett certified and provide proof of certification.

Consumption of alcoholic beverages is restricted to designated areas at the event. Only alcohol purchased as an event tasting may be consumed.

**Beer & wine vendors agree to collect one ticket for each wine/beer tasting.**

**Clean-up:** Vendors must remove their own trash and debris and leave their space trash free and in the same condition as was provided. Debris may be disposed of in the waste containers located throughout the site. **Participants who fail to clean their booth area will forfeit their \$100 security deposit.**

**Recycling:** Vendors are encouraged to recycle within areas (i.e., separate containers for each item, glass, cans, etc.).

**Open Cooking:** Only steam tables, warming ovens, and fryers will be allowed under tent. Any cooking done on stoves or on charcoal grills must be done behind the vendor's designated booth space. In such cases, vendors must provide a protective barrier. All cooking equipment with open flames must be located at least 10 feet from the tent.

## Health and Fire Department Inspections:

All handling, storage, and preparation of food and cleaning of each booth must be ready for inspection by the Health and Fire Departments prior to festival opening by 11:00 AM on Saturday, September 28. **You will not be allowed to operate without approval from the health and fire departments.**

All vendors with fryers, charcoal grills, and cooking equipment shall provide one fire extinguisher 10-pound ABC dry chemical. **Report any fires immediately to the fire department.**

All propane, CO2, and helium cylinders shall be secured with a stake and chain. Propane tanks must be at least five feet outside the tent. When using charcoal to cook, safety precautions are to be taken. **Do not dump these items anywhere except in the authorized containers.**

Extension cords are to be S-O listed for outdoor use, minimum 12-gauge and grounded. All extension cords are to be protected from physical damage and must be appropriately secured to the floor perimeter of the interior of the booth. Plugs are to be above ground to protect from water. No loud generators are allowed.

No children **under the age of 12** will be allowed in the cooking areas for health and safety reasons.

Participants dispensing food and/or beverages must comply with the Village's sanitary requirements and regulations. The requirements will be forwarded after processing the application and fee. Please review each provision carefully. Contact Sue Krauser at 630-823-5609 if you have any questions.

**Sales Tax:** The vendor is responsible for reporting and paying sales tax on all sales.

**Security:** The Village takes no responsibility for valuables left overnight.

**Dismantling:** All equipment and vendor property must be removed by 5:00 PM on Saturday, September 18, 2021.
